DARTH VADER™ MEDITATION CHAMBER

STAR WARS

The Darth Vader meditation chamber scene from *Star Wars: The Empire Strikes Back* reveals a bone-chilling insight into the Dark Lord. Admiral Piett approaches the chamber to report that the *Millennium Falcon* has entered an asteroid field, and following the rebels is too great a risk. Before he gets a chance to speak, although he tries to conceal it, we see his shock and repulsion at what's yet outside our view. When the camera pans around we see the source of his reaction.

**“I want that ship, not excuses.”
- Darth Vader**

Before Piett gets a chance to respond, we see Piett's barely concealed shock and repulsion at the scene before him. When the camera pans around, we see a brief but disturbing indication of the true appearance of Darth Vader.

Indulge in quiet meditation (or your dark side) as you build.

Enjoy building!

Jens Kronvold Frederiksen
Design Director & Creative Lead,
LEGO® Star Wars™
